Verse 1:

Gm
I can hear a noise
Eb
I can hear the earth tremble
Gm **Eb**
A rattling sound, as these dry bones come together
Gm
They say all hope is gone

And we're barren and dry

But I can hear the Sovereign Lord say son of man
Eb
Will you prophecy

Bb **Eb**
Oh Breath of Life come breath on these dry bones
Gm **Eb**
Oh Breath of Life come breath on these dry bones
Bb **Eb**
Oh Breath of Life come breath on these dry bones
Gm **Eb** **Gm** **Eb**
Oh Breath of life, come breath, come breath, come breathe

Verse 2:

Gm
I can see a day
Eb
When the army of God will rise up
Gm **Eb**
An army of saints, advancing forth for the Kingdom
Gm
Some say the church has decayed

But I can hear the Sovereign Lord say son of man
Eb
These dry bones will arise
